

## HARDI BUDI

Hardijanto Budiman, also known as Hardi Budi, is a Jakarta-based visual artist and Nikon Indonesia Brand Ambassador who has won over 200 awards in prestigious photography events worldwide. Specializing in conceptual contemporary photography, he transforms ideas, emotions, and imagination into reality through his "Imaginary Story Pictures," influenced by Surrealism.

In 2021, Budi won the first prize in the conceptual professional category at the Chromatic Awards and received accolades from All About Photo, Smile World, and the Vienna International Photo Awards. His work has been published in Forbes, Vogue, Detik, and Kompas, and exhibited at events like the Shanghai International Photo Festival, Siena International Photo Exhibition, and Venice Photo Lab. Renowned for thinking beyond ordinary reality, he continues to push boundaries in the art world.
